Criminal Activities (security) or unsupervised use.	If possible equipment should not be left un-attended whilst area is open to guests / the public. If it is necessary to leave equipment unattended at any time it is disabled to prevent unsupervised use.	1	1	1	Y

### Other operational notes:

Users must be in good health. In operational situations where large numbers of people are expected fencing or similar crowd control measures must be implemented to ensure safety of the users and spectators. The operator must at no time consume alcohol whilst in charge of the equipment. His / her operational awareness is essential to the safe running of the equipment.
